I appreciate that Jeff, but the extensions were specific. Looks like we'd have until next week to file anyway. If you want to give us an open ended extension to file, I could work with that, albeit I may want a stipulation to that effect. I'm not a fan of that local rule.

Jonathan:

I just landed in Charlotte and Jeff is out until Monday. Although I don't think you are under any particular deadline to file any discovery - related motions, I will stipulate that you waive nothing by not filing anything today given the unspecified nature of the extension.

I will call you Monday.

Jeff

Jeff,

I still have not heard anything back about the draft planning report (due on May 21) or a proposal to resolve the overdue discovery responses. Our intent is to file a motion to compel tomorrow.
